

ATLAS®

Atlas fifth wheels and travel trailers deliver highly visible, value-driven standard features. The inclusions and design are timeless, yet forward trending to address your desire for comfort and style.

Features in Atlas

- **Fold Down Entry Steps** - stability you need when coming and going from your Atlas. Easy to expand and store away, these durable aluminum steps deliver a sound platform.
- **Arctic Insulation Package** - While other RVers are putting their rigs away for the winter, Atlas owners will still be traveling strong all winter long thanks to the Arctic Insulation Package. This package adds extra insulation from the elements, which means you'll have peace of mind up North and up the mountains.
- **Fully Enclosed and Heated Underbelly** - all of your RV's vital functions are kept out of the elements. Plus, this extra layer of protection means you can travel further into the year.
- **50 Amp Service Standard**

MORE STANDARD FEATURES MORE VALUE

Everything we put into our innovative floor plans are designed to maximize storage and comfort. We don't stop there, to ensure peace of mind after the purchase we have the industry's best RV warranty, 100% pre-delivery inspection, and the leader in parts and service. While other manufacturers offer features as options, we prefer to make those same features standard.

We've built a reputation for bringing RV owners more standard features for less money for over 25 years, and it's a reputation we plan to keep.

**100%
PRE-DELIVERY
INSPECTION**

At Dutchmen, quality is standard. Every single Dutchmen RV that comes off the line receives it's own pre-delivery inspection. Every unit undergoes a thorough 253-point check to ensure accurate measurements, fully-functional electronics and components.

**THE INDUSTRY'S
BEST
RV WARRANTY**

With this industry-best warranty, we take the guessing game out of what is and isn't covered. So, that means you don't have to wrangle over the details, because we deliver value by clearly outlining the major components we back during the first three years.

**THE LEADER IN
PARTS AND SERVICE**

Replacement parts. Routine checkups. Expert advice. You name it and we've got it covered. When only the best RV services will suffice, our industry-leading parts and service department is ready to help you get back on the road - and stay there longer than ever before.

Length is defined as the distance from the front edge of both front fenders to rear fenders of trailers. *Our weight represents low weight water load, no tanks or other non-standard options. **Fresh water capacity, including water heater.
