Our Wings Get You There

Family fun happens when you spread your wings. Thanks to Jayco's amenity-packed floorplans, rock-solid construction and two full camping seasons, or 24,000 miles, of warranty coverage, you can. Greater peace of mind and added comfort mean better memories and lasting bonds. So go ahead. Hit the road—and let the good times fly.

Generations of Family Fun

Redhawk: Page 4

Uncompromising construction and design make the reliable Redhawk one of the best values in its class

Greyhawk: Page 6

An array of standard features and an unbeatable ride make traveling in the Greyhawk comfortable and, of course, fun

The All-New Greyhawk Prestige: Page 6

The Greyhawk Prestige turns heads and adds to the adventure with its signature automotive-bonded panoramic front window

Melbourne: Page 8

Fuel-conscious and agile, able-bodied and durable—the Melbourne is built ready for adventure after adventure

The All-New Melbourne Prestige: Page 8

Ultra-refined interiors, a world-class chassis and a panoramic window over the cab help make traveling in this compact Class C a true delight.

HELLWIG® HELPER SPRINGS

Work with the chassis' existing springs to give the RV more support, improving stability under heavy loads

Available on: Redhawk, Greyhawk, Greyhawk Prestige

RUBBER ISOLATION MOUNTS

Positioned near the tires to absorb road shock, dampen noise and minimize vibrations

Available on: Redhawk, Greyhawk, Greyhawk Prestige

COMPUTER-BALANCED DRIVESHAFT

Ensures smooth and efficient power transfer to the wheels

Available on: Redhawk, Greyhawk, Greyhawk Prestige

STABILIZER BAR(S)

Reduces the body roll of a vehicle during fast cornering or over road irregularities

Available on: Redhawk, Greyhawk, Greyhawk Prestige

HEAVY-DUTY REAR STABILIZER BAR

A larger bar and polyurethane bushings, instead of rubber, transfer power faster for extra support, more stability and easier handling

Available on: Greyhawk, Greyhawk Prestige

BILSTEIN® SHOCK ABSORBERS

Feature a unique monotube gas-pressure design, providing optimum ride quality and vehicle control

Available on: Greyhawk, Greyhawk Prestige

*Each model contains different JRide components. Visit jayco.com for more information. Not available on Melbourne.

Gross Vehicle Weight Rating (GVWR): The maximum permissible weight of the motorhome, including the Unloaded Vehicle Weight (UVW) plus passengers, personal items, all cargo, fluids, options and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the Cargo Carrying Capacity.

Gross Combined Weight Rating (GCWR): The maximum allowable combined weight of the motorhome used as a tow vehicle and the attached towed vehicle. It is important for your safety and enjoyment that you are aware of the weights and tow ratings of the RV you select. Consult a competent advisor for questions or advice.

Whether you are new to RVing or a veteran, get a feel for the performance of your RV before heading out on the roadways. When you tow a vehicle with your RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. Refer to that label to verify the vehicle will meet your requirements.
